

## Annual Trip

Each year in the month of June, Golden Opportunities goes on a wonderful one day trip. This year it will be on **June 16, 2009**.

In past years we have visited such interesting and beautiful places as the Living History Farms, Omaha Zoo, Czech Village in Cedar Rapids, the harbor at Dubuque, the Billy Clock Museum in Spillville and the John Deere Pavilion in Davenport.

# Golden Opportunities

A Ministry of FBC for Mature Adults

## Golden Opportunities

Mature adults participate in all the areas of our church from Awana to worship services. But there are a few activities specially designed for Mature Adults. Those activities for mature adults are called *Golden Opportunities*.

## Monthly Luncheon

Our monthly luncheon meets every 3rd Tuesday of

the month and has three segments. First, there is an *informational/educational* presentation by one or several presenters. We've had everyone from the mayor to an antique dealer. Second, there is always a very nice *dinner*.

An excellent meal is prepared by volunteers from the church. Finally, we have something of a *fun* nature often featuring area musicians. In days past we've enjoyed everything from a high school swing choir to a ragtime pianist to a violinist. Join us for a wonderful time.

Friends Meeting Friends is an informal gathering in the Café with absolutely no agenda. It's just Friends Meeting Friends over a cup of hot coffee or cappuccino and something sweet to eat. Occasionally, staff people join the group and try out an idea or two. Join us anytime. It's a good place to meet other mature adults.

## Builders Class

Every Sunday we have a significant study of God's Word. But the class is more than that. The class begins with a familiar song and a prayer time. Then the class supports 5 needy children through different agencies. Each week we receive the paper *Power* which always has inspiring stories about God at work in the lives of real people. The class of mostly mature adults meets each Sunday at 10:00 am in the Chapel.
